

Grandparents Craft Mornings at Little Owls Day Nursery

Dear Parents/Grandparents,

Following the wonderful feedback we received from our families that attended our Christmas Carol Café, we have planned another opportunity for our children's extended families to join them in nursery.

Our Craft mornings will offer a wide range of painting, drawing, malleable play and planting experiences. This will be followed by a home-made snack prepared by our onsite chefs and a group story and singing session.

These mornings provide an excellent opportunity for families to connect with their grandchildren in the nursery setting. Our children thoroughly enjoys spending time with families that attend these events.

Please see details below, it is essential that you return your booking form so that a manager can confirm a place has been allocated for your family.
